

BRINGING THE EU  
TOGETHER ON  
CLIMATE ACTION

### MAIN OBJECTIVE:

UNIFY project aims to facilitate the effective and early transition of Member States across Europe to low carbon and resilient economies by unifying three key opportunities: programming of EU funds, National Energy and Climate Plans (NECP) and national Long Term Strategies.

### MAIN ACTIVITIES:

- Develop qualitative and quantitative tools to assess final NECPs and their implementation
- Inform the programming of EU funds in 10 target countries to optimize implementation of NECPs
- Assess and monitor national Long Term Strategies, highlighting coherence with EU-level LTS, NECPs, and Paris Agreement commitments
- Support municipalities to develop or improve SECAPs and strengthen links with NECPs in 6 target MS
- Formation of 10 national and 1 pan-EU stakeholder groups to facilitate regular and open dialogue between key stakeholders, and decision-makers
